

## TURNERS & GROWERS

### CUSTOMER SERVICES DEPARTMENT

Turners & Growers value your business and are pleased to offer our free calling customer services number to help us help you:

**0508-800-100**

The training given to our Customer Services representatives ensures that they have knowledge across a wide spectrum of topics. If the service representative does not have an immediate answer, they will research your enquiry and contact you when they have a result.

**Note:** *When calling please have your **Customer Code** ready as this will be asked for every time you call.*
