**TURNERS & GROWERS LIMITED**  
**Inglis Horticulture Limited**

The Board of Turners & Growers has resolved to purchase the balance of the shares of Inglis Horticulture Limited from our joint venture partners.

The Inglis orchards will be fully producing by the 2013 pipfruit season and will remain under the management of our Inglis partners.

The orchards are world class and an important part of Group operations and this investment further demonstrates our commitment to the industry with our exclusive varieties and will enable Turners & Growers to accelerate possible expansion plans.
